*Whereas*, It has come to the attention of the Bent-Prowers Cattle and Horse Growers Association, that the United States Government acting through the National Parks Service, Bureau of Land Management, or other Federal Government agencies, is contemplating the creation of a Sand Creek Massacre Memorial or Sand Creek Massacre Historic Site at the location of the Sand Creek Massacre in Kiowa County, Colorado.

*Therefore, let it be resolved*, we the members of the Bent-Prowers Cattle and Horse Growers Association do hereby recommend that any and all of the land purchased, leased, or otherwise acquired for the site of the Sand Creek Massacre, be acquired solely from WILLING sellers and/or Lessors, and that no control be exerted by the Federal Government by condemnation or other regulatory measures, upon any landowners who are not willing to enter into an agreement with the Federal Government for such purpose.
